Sir

Adverting to your docket No. 14868 dated 2.7.2-02
7th March 1902 returning the Budget estimates of the Kolar Local Fund circle with the observation that as they appear to have been revised after the meeting a fresh meeting should again be convened &c, I have the honor to state that the Budget was not revised or altered in any way after it was discussed in the Board, and I very much regret that by the inaccurate preparation of the return, by the Local Fund clerk, of the abstract account embodied in the proceedings at the time of the meeting, mis-conception has arisen

2. The Board was placed in possession of the full details of receipts and expenditure, and each item was discussed before the estimates were passed.

3. I request therefore that the abstract figures contained in the copy of the proceedings

READ—

Letters Nos. 489 and 523, dated 22nd February and 12th March 1902, respectively, submitting the budget estimates of the Kolar Local Fund Circle for 1902-03.

No. 25-37—L. F. 2-1902, DATED BANGALORE, 1ST JULY 1902.

ORDER THEREON.—The estimated income of the Kolar Local Fund Circle for 1902-03 is Rs. 76,780 against Rs. 76,372, the actuals of 1900-01, and Rs. 74,900, the sanctioned estimate for 1901-02.

2. *I. 76 per cent of Local Cess.*—The increased estimate which is supported by the actuals of 1900-01 is allowed with the observation that every endeavour should be made to reduce the large outstandings of Rs. 13,833, which are expected to remain uncollected at the end of 1902-03.

	Rs.
1. Total demand of local cess collections ...	85,833
2. Estimate for 1902-03	72,000
Balance ...	13,833

3. *Opening Balance.*—The estimate under this head will be reduced to Rs. 15,748 with reference to the actuals on 1st July 1901 and the sanctioned estimate for 1901-02, as shown in the margin.

	Rs.
Actual balance on 1st July 1901	43,178
Estimated income for 1901-02	74,900
Total ...	1,18,078
Do Expenditure	1,02,330
Balance ...	15,748

EXPENDITURE.

4. *A. Public Works.*—The increase under "I. Original Works and II. Repairs" is due to the inclusion of the marginally noted provisions on account of reserve for minor works. Owing to the inadequacy of funds this provision will be reduced to Rs. 1,000, corresponding reduction being made on account of supervision charges. The correct total of the details given in enclosure II for repairs is Rs. 32,000 and not Rs. 32,500 as erroneously entered therein. The necessary alterations will be made in this statement.

	Amount provided. Rs.	Amount sanctioned. Rs.
I. Original ...	1,000	500
II. Repairs ...	2,613	500
Total ...	3,613	1,000

C. CIVIL CHARGES.

5. *I. Office Establishment.*—The provisions newly made for the marginally noted items account for the increase under this head. Item (1) will be raised to Rs. 113 as per Government Proceedings No. 5212—L. F. 3-97, dated 31st October 1899, and the other item retained on the understanding that it represents 2/3rds cost debitable to District Funds. It is noted that the total of the sanctioned estimate for 1901-02, as given in enclosure D, is Rs. 1,284, whereas the same is given in the consolidated statement as Rs. 1,453. Such discrepancies should be carefully avoided in future.

	Rs
Contribution towards pension	105
Travelling allowance for the President's office establishment	192
Total ...	297

6. *II. Medical, Scholarships.*—The provision made under this head will be allowed to stand, pending final orders on the reference received from the Senior Surgeon in regard to the correct provisions that have to be made on account of scholarships etc., for students undergoing training for the grade of Hospital Assistants.

9

7. *III. Hospitals and Dispensaries.*—It is explained that an increase of Rs. 500 is provided in the present budget according to requisition of the Senior Surgeon for bedding and clothing to in-patients of all dispensaries in the district. This is sanctioned.

8. *IV. Midwives.*—The increase of Rs. 24 provided for the house-rent allowance to the midwife of the Bowringpet Taluk is inadmissible, but the same will not, however, be disturbed pending the issue of final orders on the question of house-rent allowance now before Government.

9. *V. Sweepers for 3rd Class Travellers' Bungalows and Musafirkhanas.*—In accordance with the resolution of the District Fund Board, dated 31st January 1902, a sum of Rs. 24 is newly provided under this head for the pay of the caretaker of the Chelur musafirkhana. This is sanctioned.

10. The other items call for no remarks and are passed.

11. The budget estimates of the Kolar Local Fund Circle for 1902-03 are sanctioned as shown in the accompanying appendices, the result being given below :—

EXPENDITURE.

3. *A. Public Works.—1. Original Works.*—The supplemental grant proposed under this head is on account of the appropriation required for the marginally noted works which are stated to have been undertaken by the Executive Engineer. It is presumed that this was done with the concurrence of the Board and the provision is therefore passed.

A. Public Works.—Tools and Plant.—The correct amount that has to be provided for tools and plant at half per cent on the provision for works is Rs. 205 and not Rs. 219 as proposed. The former figure will be adopted in the present budget.

B. Public Works.—The increase provided under "1. Original Works" is for the completion of incomplete works of the previous year costing Rs. 14,721-9-2, as per details given in the list of incomplete works, submitted by the President and that under "2. Repairs" is on account of the cost of supplemental estimates for drinking water wells already sanctioned. The increases referred to as well as corresponding increase for supervision charges are passed.

Civil Charges.—The additional grant of Rs. 200 proposed under "2. Medical scholarships" is in accordance with Proceedings No. 5095-105—L. F. 99-96, dated 29th September 1902, and that under "5. Sweepers for travellers' bungalows and musafirkhanas" is due to the additional allotment required for the furniture of 3rd class travellers' bungalows. The provisions are allowed.
